ICOR Educates the Community on
Susan G. Komen Breast Health Awareness Project

SUSAN G. KOMEN VISION - A WORLD WITHOUT BREAST CANCER

ICOR MISSION—TO EDUCATE OUR COMMUNITY BY PROVIDING AND DEVELOPING PROGRAMS THAT WILL ENLIGHTEN AND EMPOWER DISADVANTAGED FAMILIES AND INDIVIDUALS THROUGH PREVENTATIVE HEALTH EDUCATION INITIATIVES.

How can our breast health navigators help you?

- Assist clients that are referred from Florida Community Health Centers and Martin County Health Department with ride (if needed)
 - Provide Breast Health Education
 - Refer clients to appropriate resources for help
- Application process for scheduled HOPE VAN clients and resources as needed for clinical needs.
 - Assist with financial application to cover medical bills
 - And many more services...

Breast Awareness Questions

1. I've found a lump in my breast /nipple discharge / breast discoloration. What now?
2. Where do I go to get an diagnostic mammogram, ultrasound or MRI?
3. Will I need a biopsy?
4. I need financial assistance with my bills. What can I do?
5. How often should I do an self breast exam or go see the doctor after my treatment?
